RE: Novak Landfill
SAS Request dated April 16, 1991
Draft Low Concentration Water For Organic Compounds SOW
Chain-of-Custody Record 309938

Dear Ms. Roberson:

On April 30, 1991, Dynamac shipped, (via Federal Express Airbill Number 9890522935), six aqueous samples to Central Regional Laboratory for volatile organic analyses. Dynamac inadvertently failed to provide the time of collection for one of the six samples on the Chain-of-Custody Record (309938).

For the last sample collected on April 30, 1991, Station Location NL-05-RW-01, (tag numbers 3-1104214, 3-1104215, 3-1104216, 3-1104217, 3-1104218, 3-1104219) the time of collection should be recorded as 1340.

If you have any questions regarding this matter do not hesitate to contact me at (215) 440-8625.

Sincerely,

Terrie L. Swanson, CHMM
Environmental Scientist
